UPMC MS Clinic

The MS Clinic is a multi-disciplinary clinic and is open to individuals with MS. Doctors available to see persons with MS for diagnosis, second opinion and ongoing MS specialty care are:

Rock Heyman MD, Assistant Professor of Neurology. Dr Heyman, Director of the MS Clinic, serves on the Allegheny District Chapter's Board of Directors and the Chapters Clinical Advisory Committee and speaks at numerous educational seminars sponsored by the Chapter.

Galen Mitchell MD, who has extensively studied MS and has established an MS research program at the University.

MS Clinic services are available:
Every Tuesday
8:00am - 1:00pm

To make an appointment to see a physician at the MS Clinic call:
412-692-4920

If you do not desire to see a neurologist but would like to access the other health care professionals available through the MS Clinic you can also make an appointment by calling:
412-692-4920

Ask to be scheduled for an appointment on Tuesdays at the MS Clinic. Other services throughout the day at the MS Clinic include:

- ◆ Physical Therapy
- ◆ Occupational Therapy
- ◆ Speech Therapy
- ◆ Professional Nursing
- ◆ Urological Diagnosis & Treatment
- ◆ Social Services
- ◆ NMSS Support Staff

All services will be billed through individual public or private health insurance.

On the day of appointment, individuals are asked to bring to the MS Clinic any adaptive equipment they use on a regular basis if they are being evaluated by the Physical Therapist or Occupational Therapist.

If you have any questions regarding scheduling appointments or would like more information about the MS Clinic please call
